

Year 6 Spellings for Spring Term

The table below contains the spellings for this half term. You have highlighted the group(s) of spellings you must learn each week. However, if you would like to challenge yourself further by learning more, that would be fantastic. **Everyone must also learn the words from the 'VIP (Very Important Practice) Spelling Zone' as these words are from the Y5/6 curriculum list.** As these are special words, you could earn house points for spelling them correctly. Please practise your spellings at home as often as you can – there are some useful strategies on the back of this sheet to help you. **There will be a spelling test every Thursday** to monitor your progress.

Good luck!
