

Friday 23rd January 2026

Dear parents/carers,

I hope that you and your families are safe and well. We have had another busy and exciting week in school.

Outdoor Learning

Over the recent weeks, children from across the school have been working with Miss Pedley in and around Cultivating Futures and helping with our animals.

Year 5 and the animal cadets had lots of fun making enrichments boxes for our rabbits. These puzzle boxes were filled with treats and the rabbit's behaviour was observed to see how they responded.

Year 5 – Science

Year 5 have been busy exploring irreversible changes in science this week. They conducted a practical investigation using weak acids—lemon juice and vinegar—and combined them with bicarbonate of soda to observe the reactions.

The children carefully measured, mixed, and recorded their observations, noting the production of gas and the formation of new substances. This hands-on experiment

helped them understand that some changes cannot be undone, deepening their scientific enquiry skills and enthusiasm for learning.

Pre-Loved Uniform

We believe that school uniform ensures all children are treated equally. Uniform still plays a vital role in promoting the ethos of a school, setting an appropriate tone for education and providing a sense of belonging and common identity regardless of background.

With this in mind, we run a pre-loved uniform shop through the Friends of Connor Downs Academy. The Friends will run pop up sales at various times throughout the year, but you can also contact them via their Facebook Page at any other time or you can come into the school office or email hello@connordowns.org.uk with your requirements. Thank you.

Friends of Connor Downs Academy

New System:

The Friends of Connor Downs Academy are trialling a new system for our termly disco's starting with the spring term disco being held on **Thursday 12th February**.

The changes are as follows:

Disco timings:

Years R, 1 and 2 – Straight after school from **3:30pm until 4:30pm**

Years 3, 4, 5 and 6 – from **4:45pm until 5:45pm**

Payment:

Admission price will remain the same at **£1.50**

Instead of payment on the door on the day of the disco, we would encourage all those intending to attend the event to **prepay** for their child/children's place.

Payment should be made, **in cash/by card**, direct to Mrs Gallagher in the school office, who will record all those who have paid in advance and this will be shared with the staff/volunteers supporting the discos. We hope that this will benefit all children, but particularly, those in Years R, 1 and 2.

As usual, refreshments will be available to purchase, so for those in Year R, 1 and 2 particularly, we would ask for their 'spending money' to be passed to the class teacher in a named purse and this will be given to them before going into the disco.

ANY PREPAYMENTS WILL BE REFUNDED IF A CHILD/CHILDREN DO NOT ATTEND THE EVENT.

PLEASE NOTE, THEY WILL STILL BE ABLE TO TAKE MONEY ON THE DOOR IN CASE PARENTS/CARERS DO NOT HAVE THE CHANCE TO PAY IN ADVANCE.

Clothing:

With the earlier start, the children in Year R, 1 and 2 should bring their disco clothes into school on the morning of the disco and hand them to the class teacher in a named bag.

On changing at the end of the day, each child will be guided to put all their school uniform back in the bag that their disco clothes have come in and these will be given to parents/carers when they come to collect at the end of the disco.
